## Alumni Testimonials

The Doctoral Program in Management Science (S3) at STIESIA Surabaya has made a significant impact on my work, especially in the field of government education. This is strongly supported by the exceptional academic community at STIESIA Surabaya, who provide excellent guidance and direction throughout the learning process.

**Dr. Aries Agung Paewai, S.STP., M.M.**  
HEAD OF THE EAST JAVA PROVINCIAL EDUCATION OFFICE  
Class of 2023

My most meaningful experience with STIESIA was the opportunity to exchange ideas and engage in discussions with the lecturers and supervisors in a highly supportive environment. They never failed to encourage me all the way to the final stage. For me, their support, motivation, and openness made my entire study process truly enjoyable.

**Dr. Kartina Sury, S.Sos., MA, QFC**  
Senior Fellow / Center for Indonesian Policy Studies  
Class of 2019

The Doctoral Program in Management Science (PDIM) at STIESIA helped me deepen my understanding of various aspects of research. The strong support from my academic supervisors greatly contributed to my timely graduation with a level of quality that is competitive with doctoral graduates from other universities. Additionally, the administrative support ensured a smooth learning process from the beginning until graduation.
